

Indemnity form

We welcome you and your family/group to Bos-Karoo Lodge and hope your stay with us will be an unforgettable one. To make sure you remember it for the right reasons, please take note of the following:

- On arrival every person in the group (hunters as well as other guests) will be asked to sign an indemnity form. No hunting can take place without this in place. Please read through the hunting rules and adhere to them – they are for everyone’s safety.
- Please refrain from smoking inside the lodge.
- No fires outside the fire places in and around the lodge.
- Please make sure that the fires outside are completely extinguished before going to sleep. There is a hosepipe near the braai area for this purpose.
- Make sure all food and dishes are brought inside and that doors are closed before going to bed. We do not want to attract mice, snakes, monkeys, baboons and other animals to the lodge by providing them with mid-night snacks.
- The use of the sauna and steam room is by pre-arrangement and is available from 16:00 to 18:00 only at an additional cost of R200 per day.
- The lodge is self catering. Rooms and living area will be cleaned once a day and dishes will be washed. Our friendly staff will assist you in every way possible to make your stay with us as pleasant and stress free as possible. Please inform Klaas of your plans for game drives and when hunting parties would like to depart. Simon will tend to the kitchen and housekeeping.
- The Premises is entered and activities undertaken at own risk. The owner and/or employee accepts no responsibility for any injuries, mistakes, accidents, damage and/or death of any visitor /or property in their possession. The owner and/or employee accept no responsibility for any hunting expedition, including accommodation, transport and vehicles, guides, that are entirely or partially unsatisfying or not happening.
- Please leave only your footprints on the farm. Pick up all cartridge shells, paper and litter. We have a lovely farm; let us keep it that way.
